

NTMS'2011 is the Fourth International Conference on New Technologies, Mobility and Security that will be held from 07 to 10 February 2011 in Paris, France. NTMS'2011 conference is technically sponsored by IFIP TC6 WG, IEEE COMSOC and IEEE France.

NTMS'2011 aims at fostering advances in the areas of New Technologies, Wireless Networks, Mobile Computing, Ad hoc and Ambient Networks, QoS, Network Security and E-commerce, to mention a few, and provides a dynamic forum for researchers, students and professionals to present their state-of-the-art research and development in these interesting areas. All accepted paper was published in the IEEE Xplore. The event will be combined with tutorial sessions and workshops. Tutorials will precede the main program, aiming at the dissemination of mature knowledge and technology advances in the field. Two or more Workshops will immediately follow the main conference, offering the opportunity for a more focused exchange of ideas and presentation of on-going research relevant to following tracks (More information and the full call-for-papers can be found on the conference web):

Track 1: Mobile/Wireless Networks

Track 2: Security

Track 3: New Technologies & services

TPC Co-chairs

CALL FOR TUTORIALS

Proposals for half/full day tutorials are also solicited based on the NTMS topics. Tutorial proposals should identify the intended audience and outline the scope and the depth of material to be covered. Past experience and successes of the presenter should be given explicitly and will be considered positively. We are particularly interested in tutorials that foster knowledge exchange among the researchers present at NTMS 2011.

CALL FOR WORKSHOPS

Workshop proposals should provide sufficient information to evaluate the quality and importance of the topic, the goals of the workshop, and the size of the interested community. Proposals should identify one or more chairs and several other individuals willing to serve on an organizing committee and assist with publicity and reviewing. Proposals should be 2-4 pages and contain at least the following information.
