IMPORTANT INFORMATION FOR AUTHORS

If you are an Author, you must register at the IEEE Member or Non-Member category (see page 2) even if you are a student. For authors presenting multiple papers, one registration of IEEE Member or Non-Member must be attached to each paper. A single exception is when up to two (2) papers are authored by the same single author, in which case one registration covers both papers. You may pay an extra fee equal to your registration fee for each extra paper. The maximum number of pages per paper is five (5). You may purchase extra pages, a max of four (4) per paper, at a cost of \$90 each. The deadline for Author registration is 07 March 2012.
